Indicators of modern slavery/trafficking	
Miscarriages or terminations/presenting for pregnancy or sexually transmitted infection (STI) testing	
Carrying weapons/feeling the need for protection	
Forced marriage or marriage of convenience or preparations for such	
Suspected Female Genital Mutilation (FGM) or known culture of this within the family	
Child shows/family interest in radicalisation or extremism	
Other: Please expand on any indicator above (external agencies only)	

**Box A - Please include a rationale for what you have scored \*Practitioners are to be aware that the identification of vulnerability is a guide and should not replace professional judgement\* - also include protective factors identified (eg. parental protectiveness).**

**Record of professional discussion on Risk and Outcome (Management Oversight/comment)**

**Record of child's views and parents' / carers' views of risk/need**

**Intended action: Please document actions, treatment, or monitoring arrangements (Safety Plan)**

Summary of CRE Risk Indicators	
Level of Risk as identified by practitioner (Emerging, Significant, Experiencing):	
Related to Local Authority Thresholds: emerging concerns (Early Help)/ complex or serious needs (Section 17 Child In Need) or child protection concerns (Section 47):	

**Offender/Location/Environments of Concern** - give as much information as possible about those locations, environments and persons who pose a risk to the child

**Locations:**

**Environments:**

**Person/s who pose a risk:**

**Other:** e.g. does child pose a risk to themselves?

**Situations identified as Emerging, Significant or Experiencing Exploitation should lead to a referral to Children’s Social Care. In these circumstances the Referrals Procedure must be followed.**

**Date of next review of CE Risk Assessment (at least 3 monthly) or give rationale of why CE Risk assessment will not be reviewed again**

Send completed Risk Assessment to [CSPA@surreycc.gov.uk](mailto:CSPA@surreycc.gov.uk) alongside usual request for help referral.
